

FAMILY FUN NIGHT

Adding The Fun To Your Family Golf

NOT ENOUGH TIME IS NO LONGER AN EXCUSE. NOW YOU CAN SHARPEN YOUR GOLF SKILLS AND SPEND **QUALITY TIME** WITH YOUR **FAMILY**.

Getting ready to golf The Highlands during Family Fun Night

Growing up, I faced the same struggles in golf as your children are now. I wanted to learn golf and play golf with my parents but each time we tried the course was too busy, it was too expensive, or I was only allowed to go along “for the cart ride” and watch my dad play. BORING!

I don't want your kids to get the same experience. That is why I have developed a 6 week event for parents and children to learn golf together. In a non-threatening environment. This 6 week Family Fun Night Program includes:

- adding 9 yards to your irons
- how to match your child's game to the golf course
- putting secrets to end 3-putting forever
- How to chip it close

- Contests, on-course instruction and more

What I have produced will blow the lid off of all the common golf advice that is floating around the links and...SAVE EVERY Family IN WEST MICHIGAN FROM MISERABLE GOLF!!

“Hi Scott! The boys had an awesome week with you ... and have been glued to the screen watching Tiger play this past week. We are still hearing stories about playoffs for Gatorade and golf balls ... Drew told me he was trying so hard "with every muscle" to win your \$1000 challenge... but he only "ticked" the ball ... watch out ... 'cause he thinks he might get it next year. Thanks for such a great week and for giving them a love for the game!!” Kris Tjoelker, Comstock Park
