

# Lazy Man's Golf Instruction

Too lazy for golf instruction? I have a program for you. Just e-mail video of your golf swing to [info@grandrapidsgolflesson.com](mailto:info@grandrapidsgolflesson.com)

I will analyze it straight from my La-Z-Boy and burn it to a CD with comparison of your swing to PGA Tour Swings at 60 frames per second, including about 6 minutes of voice-over and swing tips. I will then mail your CD to the appropriate address.

Investment:      Golf Improvement Members: \$25  
                         Non-Members: \$50
